

MAGNETIC ROACH BAIT'S

FLEXIBLE FORMULA

KILLS ROACHES NOW AND KILLS THEM LATER.

A roach bait may be great when you apply it, but a month later it's hard as a rock! Magnetic Roach Bait™ is designed for the long haul. It remains edible and attractive for 30 days, a quarter — even a year. As a matter of fact, Magnetic Roach got its start as a once-a-year roach treatment for apartment buildings.

Magnetic Roach Bait is made using only fresh ingredients and does not contain any of the Big-8 allergens.
