

SIMPLICITY, VERSATILITY

NIBOR-D®

NOW AVAILABLE IN CONVENIENT SINGLE-USE PACKETS

Single-use packets give you great inventory control, insure accurate measuring and help eliminate potential spills and drift. Nibor-D is great for dusting wall voids and attics, using in a liquid formulation for general pests and using as a drain foam and mop solution in commercial kitchens.

Simply use:

- 1 packet per gallon for a 5% solution
- 2 packets per gallon for a 10% solution
- 3 packets per gallon for a 15% solution

Pest companies around the country are getting control in the toughest commercial accounts because Nibor-D turns food debris left behind due to poor sanitization into a borate bait that helps them achieve and maintain control.

Remember, always read, understand and comply with the label. Nibor-D and Nisus Corporation are registered trademarks of Nisus Corporation. ©2017 Nisus Corporation #ND-FLY-0117

APPLICATION:

Dust into cracks & crevices, wall voids and attics. Use as a liquid 5%, 10% or 15% solution. Add an IGR or disinfectant. Use as a foam in commercial kitchens to foam drains and turn remaining food debris into a bait.

TARGET PESTS:

ANTS

COCKROACHES

FLIES

SMALL FLIES

CREATING A WORLD
OF SUSTAINABILITY.
