

ShuBee® Waterproof Shoe Covers

C SB CA WP

ShuBee® Waterproof Shoe Covers are the BEST universal shoe cover option on the market. They save the floors from most elements you can encounter on the bottom of your shoes. The material is made out of a textured plastic that we designed with a "grit" texture to make sure they maintain a skid resistance on surfaces.

Our Waterproof Shoe Covers can combat mud, dirt, rain, sleet, ice and snow. No matter which makes it on the sole of your boot or shoe, our Waterproof floor savers will keep it contained in the shoe cover.

- Show your client's you care by helping support breast cancer awareness
- ShuBee® Shoe Covers are a simple and easy way to show that a company cares about their client's space and property
- Your clients will land more jobs, in turn, create return business for you
- ShuBee® Waterproof Shoe Covers offer protection from muddy messes
- Waterproof, plastic material
- ShuBee® Waterproof Shoe Covers are skid resistant and help keep muddy, wet messes inside the covers and off floors.
